Ex-Gov. Smith to Explain Needs at Meeting on Wednesday.

Any woman or group of women who fail to understand why they should take a personal interest in the development of the port of New York are called upon to attend a meeting to be held for their benefit in Town Hall, Wednesday after-noon, when former Gov. Smith will talk to them. He intends to demonstrate the sociological problem presented by the

LUNCHEON FOR AUSTRALIANS.

Mark Sheldon, for two years Australian Commissioner in the United States, and Senator George Foster Pearce of Australia, a British delegate to the Conference on Limitation of Armament, will be guests of the English Speaking Union at luncheon to-morrow at India House. Other speakers will be Paul D. Cravath, vice-president of the union, and George W. Wickersham. Senator Pearce was Minister of Defence of Australia in the war.

LIKENS PRAYERS TO 3 CREEDS. Man's conception of the Delty is influenced, among other things, by the climate in which that man lives, according to Aifred W. Martin, director of the Ethical Culture Society. He spoke yes-terday at Town Hall under the auspices of the Theosophical Association of New York. His subject was "The Synthesis of Religion" and he declared that he heard the same note in the chant of the Hindu and the prayer of the Parsee as rings in the supplication of the Christian.
